John Boner Neighborhood Center, April 13, 2020, 4 p.m. – 7 p.m.

To speak to an attorney via telephone during our regular business hours, you may call The Children's Law Center at (317) 558-2870 ext.334.

You may also visit our website at www.kidsvoicein.org for helpful information about Indiana law as it applies to child-related cases. Keep in mind that neither Kids' Voice of Indiana nor its Children's Law Center of Indiana does not provide direct legal representation for children or adults.

We hope that the clinic can resume in May 2020, but please check our social media for more updates as they develop.
